Sir,

Subject: Courts-Criminal-Bellary District-Additional Sub Magistrate and staff at Bellary-Employment-sanctioned.

Reference: G.O. MS.No.2001, Home Department dated 22-6-1953

I am to state that the District Magistrate (Judicial) Anantapur Bellary at Gooty reports that the collector of Bellary has agreed to permit the Additional Sub Magistrate to hold his court in the office room of the Tahsildar, Bellary for 3 days in a week and that it is very difficult to get accommodation for the Additional Court at Bellary for the rest of the period in the week. The District Magistrate has therefore suggested that the Additional Sub Magistrate may be permitted to hold his court for 3 days in a week at Siruguppa where there is sufficient accommodation in the Taluk office. The Sub Magistrate's court at Kudiligi which was directed to be shifted to Siruguppa in G.O.3226 Home d/13-8-51 has not yet been shifted to Siruguppa pending the question of redistribution of jurisdiction of courts in Bellary District. The Honourable the Judges therefore recommend the proposal of the District Magistrate and I am to request that necessary orders permitting the Additional Sub Magistrate, Bellary to camp at Siruguppa for three days in a week for trying cases arising in that area may be passed.

Since the officer has to be appointed urgently, I am to request that urgent orders may be passed.

R Jayaram

REGISTRAR.

The notes of Home & the draft order on prepage may be perused and the file passed on to Fin.

It may be made clear in the order that the arrgt. will be in force only till the Separate Court of S.M. at Singapore begins to function there. It is strange that an order passed abt 2 years ago for the abolition of the SMs Court Kuching has not yet been given effect to. The H.C. may perhaps be asked to do so in the interests of economy.

2. In G.O.No.3226 Home dated 13.8.51 the Govt. sanctioned the establishment of a sub magtes' court at Sirugappa and directed that the sub magtes court at Kudligi be abolished with effect from the date on which the S.M's court at Sirugappa commences to function. The D.M.(Judl) Gooty had in that connection suggested certain alterations to the jurisdiction of the sub magistrates at Adoni and Bellary in view of the establishment of a sub magte's court at Sirugappa. As those alterations involved alterations to the jurisdiction of the S.D.Ms. of Adoni and Bellary, the D.M. was asked to submit proposals through the High Court for altering the jurisdiction of the two sub divisions.

In the proposals submitted, the D.M. had proposed the inclusion of the revenue firka of Hatcholi in the jurisdiction of the Sub.magistrate, Sirugappa (within the jurisdiction of the S.D.M. Bellary). Hatcholi police station limits are within the local area of the S.M. Adoni which is within the jurisdiction of the S.D.M. Adoni and the D.M's proposal would therefore result in the transfer of some of the villages within the Hatcholi police station limits (constituting the revenue firka of Hatcholi) to the jurisdiction of the S.M. Sirugappa and the S.D.M.Bellary, while the other villages would remain within the jurisdiction of the S.M. Adoni and the S.D.M. Adoni. It would be necessary for the police to go before the courts both in Bellary and Adoni for filing cases. The D.M. was therefore asked to confirm the presumption that this aspect had been taken into consideration while submitting alterations in the jurisdiction of

the S.D.Ms of Adoni and Bellary. He stated that 14 villages situated in the revenue taluk of Adoni (within the limits of the Hatcholi police station) might, if the High Court agreed, be included in the jurisdiction of the sub magistrate of Sirugappa under the Bellary Sub Divisional Magistrate's jurisdiction though the principle of having the jurisdiction of the courts co-terminous with the revenue jurisdiction could not be satisfied.in

While forwarding the D.M's letter to Govt. the High Court stated that the question of redistribution of the whole district of Bellary into four Munsifs cum Sub Divisional ~~Magistracies~~ was under the consideration of the Judges and that proposals would be forwarded to Government shortly. The Judges therefore considered that it was not necessary to alter any jurisdiction at that stage. The High Court's proposals referred to above were under consideration in the Public (Sep) Dept. and it is understood that that department have since closed the papers in view of the impending Andhra Separation.

It may also be noted that only three taluks of the Bellary district viz., Alur, Adoni and Rayadrug will go to the Andhra State while the remaining taluks go the Mysore State. Sirugappa and Kudligi areas will form part of the Mysore State with effect from 1-10-53. In the circumstances it does not seem necessary to address the High Court as suggested at B on page 2 ante.
